

EFFECTIVE

August 1, 2022.

Subject(s)**FOM 801-03, Medical Passport*****Initial Medical Passport***

Foster care provider does not include non-offending parent.

Reason: Recommendation from the Child Welfare Medical and Behavioral Health Program Office.

Updated Medical Passport

An updated medical passport is provided to:

- Participating legal parents if the child is a temporary court ward.
 - Non-offending parent, subsequent medical passports are not required after reunification.
- The child's foster care provider:
 - Quarterly is no longer required. Medical passports must be provided at the time of placement and worker changes.

Note: Non-offending parent with custody of the child is not considered a foster parent placement.

Reason: Recommendation from the Child Welfare Medical and Behavioral Health Program Office.
